

Hospital Equipment Lending Service

Short-term loan of hospital equipment is available to any Cudahy or St. Francis resident through the Cudahy-St. Francis Kiwanis Club.

A variety of equipment, including wheelchairs, walkers, commodes and bath chairs are housed at the Cudahy Health Department.

Call the Cudahy Health Department during normal business hours to be sure that the equipment needed is currently available.

Equipment is normally lent out for 60 days and can be renewed for an additional 60 days.
